HOMEWORK POLICY

Explore Knowledge Academy acknowledges the educational validity of homework as an extension of the instructional program. "Homework" is defined as assignments prepared by the student outside of the school or independently outside of the classroom and does not include daily reading requirements.

Homework serves a learning purpose and is an outgrowth of classroom interests and activities.

Teachers shall insist on high standards of work turned in by students. Accuracy, neatness, legibility, proper arrangement on the page, and correct spelling and punctuation are to be stressed. Student mastery is considered in homework assignments.
