Parent Code of Conduct

The school and its sanctioned events are a place of work and learning where policies must be set to provide for the safety of the students and staff. Administration or their designee is responsible for securing all persons in the building and on the grounds. Therefore, the following rules for a Parent Code of Conduct apply to parents and visitors at the school.

1. Anyone who is not a regular staff member or student at the school is considered to be a visitor. This includes parents, family members, and community members.
2. Parents/guardians must report to the office upon arrival at the school to sign in, get a name tag, and state their reason for being at the school.
3. Unauthorized people on campus will be reported to administration and/or their designee. Unauthorized parents on campus will be asked to leave. A trespass may be issued, and local law enforcement will be called if the situation warrants.
4. Parents/guardians are expected to abide by the rules for public conduct, on school property and during all EKA-sponsored events, contained in this code of conduct.
5. Parents/guardians will be asked to maintain a positive attitude toward education, the school, teachers, and staff members at all times.
6. Parents/guardians will be asked to show an active interest in their child's schoolwork and progress through regular professional communication with the school.
7. Parents/guardians will be asked to help their child in being neat, follow dress code, and be well-groomed at all times.

8. Parents/guardians will be asked to make sure their child attends school regularly and on time each day that school is open or in session.
9. Parents/guardians will be asked to report and explain to the school any absence or late arrival.
10. Parents/guardians will display polite and appropriate behavior when speaking to or working with school officials whether on the phone, through email, via text message, or in person. Inappropriate behavior may result in a decision of Non-Renewal from the school for the next school year.
11. Parents/guardians will be available to speak with the school staff concerning their child, especially about class work and discipline.
12. Parents/guardians will be asked to refrain from using derogatory speech, curse words, or aggressive behavior/conversations with teachers and/or support staff. Inappropriate behavior may result in a decision of Non-Renewal from the school for the next school year.
13. Parents/guardians will be asked to attend scheduled Parent-Teacher conferences to assist the teacher(s) in helping their child to succeed academically and socially.
14. Parents/guardians will be asked to remain patient and respectful when seeking assistance and correspondence/communication from school personnel. Inappropriate behavior may result in a decision of Non-Renewal from the school for the next school year.

Administration or their designee is responsible for enforcing the conduct required by this code. In the instance that a prohibited conduct is witnessed that does not pose an immediate threat or injury to persons or property, administration or their designee will inform the parent/guardian of the infraction and ask for the individual to stop. If there is a refusal to stop the infraction, the parent/guardian will be trespassed and asked to remove themselves from the school property or the school sanctioned event. If the parent/guardian does not comply, local law enforcement officers will be called to assist in removing the person. Inappropriate behavior may result in a decision of Non-Renewal from the school for the next school year. If the conduct poses an immediate threat or injury to persons or property, the student of the parent refusing to abide by EKA's requests to stop the behaviors will be immediately withdrawn from EKA.

Trespassing and Visitor Control

The Nevada State Legislature has articulated a statute that schools hold a unique place in our society today. This statute notes that students and school employees are legally protected from disturbances that interfere with the instructional day.

NRS 392.910 generally prohibits a disturbance of the peace on school property by using vile or indecent language within the building or on the school's grounds. Violation of this NRS is punishable as a misdemeanor. The same statute further makes it unlawful for any person to maliciously and purposely interfere with or disturb any persons peaceably assembled within a school building for school purposes.

NRS 392.915 makes it unlawful for any person, through the use of any means of oral, written, or electronic communication, to knowingly threaten to cause bodily harm to a student or employee of the school with the intent to intimidate, harass, frighten, alarm, or distress that student or employee, or interfere with the operation of the public school.

NRS 207.200 makes it unlawful for a person to go upon the land or into any building of another with the intent to vex or annoy the owner or occupant thereof, or to commit any unlawful act; or willfully go or remain upon any land or in any building after having been warned by the owner or occupant thereof not to trespass.

NRS 202.459 states that a public nuisance is committed when a person annoys, injures or endangers the safety, health, comfort or repose of any considerable number of persons, or in any way renders a considerable number of persons insecure in life or the use of property.

NRS 200.471 is defined as intentionally placing another person in reasonable apprehension of immediate bodily harm.

NRS 393.410 makes it unlawful for any person to commit any nuisance in any public school or purposely and maliciously commit any trespass upon the ground attached to the public school.

EKA's Visitor Policy addresses school visitation by parents, adult community members and those interested in education. Visitor controls may be necessary to prevent the intrusion of disruptive persons into the schools to ensure an undisturbed educational program. The administrator has the authority to prohibit the entry of any person to the facility or to expel any person when there is a reason to believe the presence of such person would be contrary to the good order of the school. The administrator is authorized to request local law enforcement to assist or remove those individuals that create a disturbance or refuse to leave the school. If EKA contacts local law enforcement to remove an individual from the premises, the student(s) of the parent causing the disturbance will be withdrawn from EKA.

The determination to expel and prevent re-entry (trespass) a citizen should be judiciously considered. Any person who continues to display threatening behaviors or disturbances of the school environment may be trespassed by announcement. This can most effectively be achieved via the delivery of a pre-printed statement on school stationery, signed by administration and containing the following language:

As the duly appointed representative of, I hereby warn you that you are trespassing upon this property. If you do not leave immediately, you will be subject to arrest.

The administrator is empowered to issue a trespass only for Explore Knowledge Academy. A trespass does not transfer with the parent/guardian to a new school if the student enrolls elsewhere.
