NEW ELEMENTARY VALET PICK UP *and* DROP OFF PLAN 2023-2024

Please read through the details carefully. The 2023-2024 valet system has several updates and additional procedures. It is essential for everyone's safety that all people on EKA's campus abide by these traffic rules. We encourage everyone to use the vehicle valet system as we discourage walk-ups.

GENERAL INFORMATION

1. Students cannot be dropped off before 7:30 am.
2. Travel at no more than **five mph** while onsite.
3. U-Turns are not permitted on Mountain Vista when school zone flashers are working.
4. Do not stop or park ANYWHERE on Mountain Vista for the drop-off or pick-up of your students.
5. Do not block the school entrance drive when picking up or dropping off your student.
6. Do not park or drop off your students in Carol Circle (The street to the north of us). This is private property, and they will contact authorities.
7. Make sure that your student arrives at school on time. **Elementary School begins** at 7:55 am
8. Parking in the travel lanes on campus is prohibited.
9. Traffic flows counterclockwise around the school during peak pick-up and drop-off times.
10. Please do **NOT** stop along the driving pathway.
11. Do NOT play loud music while in the valet drop-off lanes.
12. Always watch for students crossing or walking through travel lanes on campus.
13. While walking on campus, all students must use crosswalks and sidewalks.
14. Do not allow your children to get out of your vehicle until they reach the front of their colored valet zone.
15. Families and students may NOT walk up to colored valet zones.
16. Walk-up students must enter the school through the front doors.

DROP OFF

1. Students cannot be dropped off before 7:30 am.
2. Students are to remain in vehicles until EKA staff members open the front doors for students to enter.
3. All students in K-5th grade will need to use the valet system for drop-off and pick-up unless they participate in the Safe-Key program or bus service.
4. K-5 Placards must be displayed from your rearview mirror during drop-off and pick-up.
5. Explore Knowledge Academy (EKA) staff members will be waiting to open car doors for Kindergarten students **ONLY**.

"Personalizing Education – Challenging Minds."

6. 1st - 5th-grade students should be prepared to get out of their vehicles rapidly with all of their school items (backpack, lunch, etc.), not in the trunk. Unprepared students will hold up traffic.
7. Parents will not be permitted to accompany their students to their classrooms or enter the school building.

PICK UP/DISMISSAL

1. Safety gates to protect students while they are using the field will be in place during school hours. These gates are opened at 2:40 pm daily. Parking in front of the gates is prohibited. If you arrive on campus earlier than 2:40, please **back into a spot** in front of Building C, park, and wait for the gates to be opened.
2. Students will be dismissed directly from their **colored valet zones only**. The dismissal locations are the same as the drop-off locations.
3. **Walk-up students will not be dismissed to their waiting parents until the conclusion of vehicle valet. The front offices will not be able to retrieve a walk-up student between 2:40 pm and 3:25 pm.**
4. We will only release elementary students to persons 18 years or older for walk-ups.
5. If you forget your Placard, please park on the north side of Building A or Building B and go to the Building A office for a temporary Placard. You must bring a photo ID to the office in order to receive a temporary Placard.
6. Students must be picked up on time. If a student is left over 3 times in a school year, the student will automatically be withdrawn from EKA. A leftover student is any student not picked up by the end of elementary valet, regardless of the end time of valet. Families must be prepared to pick up their students at the end of the school day.

ATTENDANCE

in the early grades

Many of our youngest students miss 10 percent of the school year—about 18 days a year or just two days every month. Chronic absenteeism in kindergarten, and even preK, can predict lower test scores, poor attendance and retention in later grades, especially if the problem persists for more than a year. Do you know how many young children are chronically absent in your school or community?

Who Is Affected

Kindergarten and 1st grade classes often have absenteeism rates as high as those in high school. Many of these absences are excused, but they still add up to lost time in the classroom.

1 in 10 kids

in kindergarten and 1st grade are chronically absent. In some schools, it's as high as 1 in 4.¹

2 in 10
low-income kids

miss too much
school. They're also
more likely to suffer
academically.¹

2.5 in 10
homeless kids

are chronically
absent.²

4 in 10
transient kids

miss too much
school when
families move.²

Why It Matters

If children don't show up for school regularly, they miss out on fundamental reading and math skills and the chance to build a habit of good attendance that will carry them into college and careers.

Preliminary data from a California study found that children who were chronically absent in kindergarten and 1st grade were far less likely to read proficiently at the end of 3rd grade.

Who Can Read on Grade Level After 3rd Grade?³

64%

of kids with good attendance in K and 1st
(missed 9 or fewer days both years)

43%

of kids with at-risk attendance
(missed more than 9 days both years)

41%

of kids chronically absent in K or 1st
(missed 18 or more days one year)

17%

of kids chronically absent in K and 1st
(missed 18 or more days both years)

What We Can Do

Engage Families

Many parents and students don't realize how quickly early absences can add up to academic trouble. Community members and teachers can educate families and build a culture of attendance through early outreach, incentives and attention to data.

Fix Transportation

The lack of a reliable car, or simply missing the school bus, can mean some students don't make it to class. Schools, transit agencies and community partners can organize car pools, supply bus passes or find other ways to get kids to school.

Address Health Needs

Health concerns, particularly asthma and dental problems, are among the leading reasons students miss school in the early grades. Schools and medical professionals can work together to give children and families health care and advice.

Track the Right Data

Schools too often overlook chronic absence because they track average attendance or unexcused absences, not how many kids miss too many days for any reason. Attendance Works has free data-tracking tools.

These are a few steps that communities and schools can take. How do you think you can help?

Help Your Child Succeed in School: Build the Habit of Good Attendance Early

DID YOU KNOW?

- Starting in preschool and kindergarten, too many absences can cause children to fall behind in school.
- Missing 10%, or about 2 days each month over the course of a school year, can make it harder to learn to read.
- Students can still fall behind if they miss just one or two days every few weeks.
- Being late to school may lead to poor attendance.
- Absences and tardiness can affect the whole classroom if the teacher has to slow down learning to help children catch up.

Attending school regularly helps children feel better about school—and themselves. Start building this habit in preschool so they learn right away that going to school on time, every day is important. Eventually good attendance will be a skill that will help them succeed in high school and college.

WHAT YOU CAN DO

- Set a regular bedtime and morning routine.
- Lay out clothes and pack backpacks the night before.
- Keep your child healthy and make sure your child has the required shots.
- Introduce your children to their teachers and classmates before school starts.
- Develop backup plans for getting to school if something comes up. Call on a family member, a neighbor or another parent.
- Try to schedule non-urgent related medical appointments and extended trips when school isn't in session.
- If your child seems anxious about going to school, talk to teachers, school counselors and other parents for advice on how to make your child feel comfortable and excited about learning.
- If you are concerned that your child may have Covid-19, call your school for advice.
- If your child must stay home due to illness, ask the teacher for resources and ideas to continue learning at home.

When Do Absences Become a Problem?

Note: These numbers assume a 180-day school year.

Keep Your Child On Track in Middle and High School: Pay Attention to Attendance

Showing up for school has a huge impact on a student's academic success. Even as children grow older and more independent, families play a key role in making sure students get to school every day and understand why attendance is so important for success in school and on the job.

DID YOU KNOW?

- Students should miss no more than 9 days of school each year to stay engaged, successful and on track to graduation.
- Frequent absences can be a sign that a student is losing interest in school, struggling with school work, dealing with a bully or facing some other difficulty.
- By 6th grade, absenteeism is one of three signs that a student may drop out of high school.
- By 9th grade, attendance is a better predictor of graduation rates than 8th grade test scores.
- Missing 10%, or 2 days a month, over the course of the school year, can affect a student's academic success.

WHAT YOU CAN DO

Make school attendance a priority

- Talk about the importance of showing up to school every day.
- Help your children maintain daily routines, such as finishing homework and getting a good night's sleep.
- Try not to schedule dental and non-urgent related medical appointments during the school day.
- Keep your student healthy, and if you are concerned about Covid-19, call your school for advice.
- If your children must stay home because they are sick, make sure they have asked teachers for resources and materials to make up for the missed learning time in the classroom.

Help your teen stay engaged

- Find out if your children feel engaged by their classes, and feel safe from bullies and other threats.
- Make sure your teens are not missing class because of challenges with behavioral issues or school discipline policies. If any of these are problems, contact the school and work with them to find a solution.
- Monitor your teen's academic progress and seek help from teachers or tutors when necessary. Make sure teachers know how to contact you.
- Stay on top of your child's social contacts. Peer pressure can lead to skipping school, while students without many friends can feel isolated.
- Encourage your child to join meaningful after-school activities, including sports and clubs.
- Notice and support your students if they are showing signs of anxiety.

Communicate with the school

- Know the school's attendance policy – incentives and penalties.
- Check on your child's attendance to be sure absences are not adding up.
- Seek help from school staff, other parents, or community agencies if you need support.
